Canada Price Increase: Residential Roofing Products

Dear Customers,

Thank you for your continued business and support as we have responded to today's challenging market environment.

Due to increased raw material and transportation costs, GAF Canada ULC is announcing a price increase of **6-8% on all residential roofing products, effective February 21, 2022**. All orders shipped on or after February 21, 2022 will be invoiced at the new level.

Please contact your local GAF Territory Manager with any questions, and we remain grateful for your business.
