Price Increase Announcement

Effective: January 31, 2022

Dear Valued Customer,

We are writing this note to inform you that SFS finds it necessary at this time to revise pricing in plates, assembled Dekfast, and long length Dekfast fasteners starting on January 31, 2022. SFS continues to face pricing pressures on these products and as a result, price increases will range as follows:

- Plates 30-40%
- Assembled Dekfast 15-20%
- Fasteners 16"+ 60+%

All orders shipped on or after January 31, 2022 will be invoiced at the new level.

Best Regards,
