## GAF Canada Commercial Roofing Price & Freight Surcharge Increase Effective April 4, 2022

To: All Customers of GAF Commercial Roofing

Please be advised that prices for GAF Commercial Roofing Products will increase effective April 4, 2022, as previously announced, with the exception of adhesives which we will scale back to 5%. These price adjustments will be for all shipments between April 4, 2002 and June 30, 2022.

Product	Increase
	Q2
TPO Membranes & Accessories	+7%
PVC Membranes & Accessories	+3%
Polyiso Insulation	+7%
BUR & SBS Asphaltic Products	+5%
APP Asphaltic Products	+5%
Adhesives, Cements & Sealants	+5%
Fasteners	+10%
Coated Glass Facer ISO Upcharge	\$16.50/SQ
Indicates a change from our original announcement	

Additionally, recent surges in fuel and crude oil prices have immediately impacted our freight costs and fuel surcharges. Effective April 4, 2022, the added FSC per truckload will increase from \$450.00 to \$700.00 per Truckload.

Price guidance for Q3 2022 and beyond is being handled on an Area by Area and job to job basis. Please stay very vigilant about securing Not to Exceed Pricing in writing from your GAF Sales partners.

With my best,

Alma Garnett  
Sr. Vice President, Sales  
Commercial Roofing Systems
