To our valued Royal® Customer:

Subject: Celect® Siding and Accessories Price Increase

We continue to face challenges with accessibility of raw materials along with escalating costs. Despite our best efforts, raw material prices continue to increase and we need to implement a price increase on all Celect® Cellular Composite Siding and Accessory products effective December 1, 2021.

For all orders placed on or after December 1, 2021, all prices will increase 10% for all Celect Siding and Accessories.

Thank you again for your continued support as we enter another strong year. If you have any questions, please reach out to your Territory Manager or Customer Service Representative.

Sincerely,

Gary Taylor
